 - 2) The exterior building/grounds and the interior dwelling space of mobile/manufactured homes shall require a single certificate of compliance.
 - 3) The exterior building/grounds of each multifamily structure, each multifamily accessory facility, and each residential rental unit within a multifamily structure shall require separate certificates of compliance.

For new construction the original certificate of occupancy shall serve as the certificate of compliance for a period of 24 months, after which the owners of said units shall apply for a standard biennial certificate of compliance renewal. Structures not subject to the provisions of this article on the effective date of this article that later become residential rental structures shall be registered, obtain a certificate of compliance, and comply with all other provisions of this article prior to occupancy of any dwelling unit.

The period of time the certificate is valid shall begin on the date of the scheduled first inspection and shall expire at midnight on 24 months following issuance. If an owner or agent cancels or fails to appear for a scheduled inspection or takes an unreasonable period of time to correct code violations, the time delay to certify the structure or unit shall not serve to extend the period of time the certificate is valid. The date of issuance and expiration shall be recorded on the certificate. It is the duty of the owner or responsible local agent of the subject property to arrange for the inspection necessary for the renewal of the certificate of compliance at least 60 days prior to its expiration.
- (c) Any owner or responsible local agent shall be afforded the opportunity to earn a *certificate of compliance incentive bonus* that extends the period of time a certificate of compliance is valid from 24 months to 36 months. An additional twelve (12) months bonus time shall be granted when all of the following conditions are met:
- 1) There are no life/safety code violations cited during the initial inspection;
 - 2) There are no more than four (4) code violations cited during the initial inspection;

 - 4) There are no outstanding fees, fines, or taxes owed to the City for the subject property;
 - 5) All required permits for work done within the structure have been obtained.

- (e) The department may, in the absence of any life/safety code violations, administratively extend the expiration date of a certificate of compliance of any residential rental unit due to circumstances beyond the control of an owner or responsible local agent including, but not limited to, the department's inability to perform an inspection in a timely manner.

Sec. 1423.09 – Transfer of Ownership or Responsible Local Agent.

- (a) Certificates of compliance shall be transferable when the ownership of a multifamily or mobile/manufactured residential rental structure changes provided that all certificates of compliance required for the property are valid at the time of transfer.
- (b) It shall be the duty of the new owner to immediately register with the Department consistent with Sec. 1423.03 and pay a fee established by the City.
- (c) It shall be unlawful for the owner of any multifamily or mobile/manufactured residential rental structure or residential rental unit, who has received a notice of violation of any code or ordinance of the City for that location, including zoning violations, building code violations, violations of rental inspection guidelines, fire code, or nuisance code violations, to transfer, convey, sell, including by land contract,

ownership and/or interest in any way to another, unless such owner shall have first furnished to the grantee, vendee, or transferee a copy of any notice of violation and shall have furnished to the Department a signed and notarized statement from the grantee, vendee, or transferee acknowledging receipt of such notice of violation and acknowledging legal responsibility for correction of the violation.

- (d) An owner may at any time designate a new responsible local agent to replace the responsible local agent, if any, on file with the department by submitting a form provided by the department and paying a fee established by the City.

Sec. 1423.10 – Initial Inspections.

- (a) The Department shall schedule initial inspections, at its discretion, of multifamily or mobile/manufactured residential rental structures, units, and accessory facilities which are subject to provisions of this article to determine if the structures and units qualify for a certificate of compliance. The owner or responsible local agent of the property shall receive prior notice of the Department's intent to inspect; the owner may voluntarily waive the notice period and consent to an inspection at an earlier date. The owner shall provide to the tenant(s) a minimum of 72 hours written notice of the Department's intent to inspect the unit he/she occupies.
- (b) Inspection fees established by the City shall be paid in full prior to the date of inspection.
- (c) After the initial phase-in period, all residential rental structures, units, and accessory facilities which are subject to provisions of this article shall be required to be inspected at not less than 24-month intervals nor more than 36-month intervals unless adjusted by the Department.
- (d) The Department shall inspect multifamily or mobile/manufactured residential rental structures, units, or accessory facilities pursuant to any of the following circumstances:
 - 1) Upon receipt of a new rental registration application for a structure that was not previously registered.
 - 2) Upon receipt of any certificate of compliance renewal request for any structure, unit, or accessory facility that has been previously certified.
 - 3) Upon receipt of a complaint from an owner or tenant that a structure, unit, or accessory facility is in violation of the property maintenance ordinance or any other ordinance or code of the City of Southgate, or is in violation of Michigan's housing law, Section 125.401 et seq. of the Michigan Compiled Laws.
 - 4) Upon receipt of a report or a referral from the Southgate Police Department, Department of Public Works, Fire Department, other law enforcement agency, public agency or department, or any individual indicating that the premises may be in violation of this article.  - 6) Upon receipt of information that the multifamily or mobile/manufactured residential rental structure is not registered with the City as required by this chapter.
- (e) If entry to a multifamily or mobile/manufactured residential rental structure, unit, or accessory facility requiring inspection is refused, the Building Official and/or their designee shall have recourse to the remedies provided by law to secure entry, including but not limited to obtaining a warrant for an administrative search. Inspections shall be limited to only the areas necessary to ascertain compliance with applicable ordinances, codes, and state law. Every reasonable effort shall be made to obtain consent to voluntarily enter the premises for the purpose of conducting a property maintenance inspection.

- (a) *Reinspections required.* An owner or responsible local agent who is provided with written notice of a code violation or violations, shall correct the code violations within the period of time specified in the notice of violations. - (b) *Failure to have property timely reinspected.* Following inspection and notice of violations, should the owner, the owner's responsible local agent, or the person responsible for the structure fail to facilitate a reinspection prior to the date specified for correction of the violations or by any extended date granted by the department, it shall be presumed that any violations in the notice of violations that have not been previously reinspected and approved have not been corrected and the owner or responsible local agent shall be responsible for failing to repair those violations as if they had not been corrected.
- (c) *Inability to conduct reinspection.* Should the department not be able to gain entry to a residential rental structure or residential rental unit for a scheduled reinspection then it shall be presumed that any violations in the notice of violations that have not been previously reinspected and approved have not been corrected and the owner or responsible local agent shall be responsible for failing to repair those violations as if they had not been corrected.

Sec. 1423.12 - Notice of intent to inspect.

If the owner or the owner's responsible local agent shall not register a residential rental structure or apply for a certificate of compliance for a residential rental structure, unit, or accessory facility, the department will send notice of its intent to inspect the subject structure, unit(s), and/or accessory facilities to the owner or responsible local agent at the mailing address of record with the Assessor's Office for the property owner and the mailing address provided on the registration form if different. Owners or responsible local agents shall have 14 days from the date of mailing to submit the completed registration forms, fees, and request for inspection appointment.

- 5) The owner may appeal the final decision of the City Council to the Wayne County Circuit Court within 21 days of the date of the final decision.

(b) Appeal of Notice of Violation of the International Property Maintenance Code.

- 1) If the owner or responsible local agent disagrees with the opinion of the Building Official or his/her designee as to the existence of an alleged violation, or the period of time that will be reasonably required to correct the alleged violation as set forth in the notice of violation, the owner or responsible local agent may appeal as provided for in the International Property Maintenance Code, Chapter 1422 of the Code of Ordinances.
