SOUTHGATE POLICE DEPARTMENT MEMO

To: Honorable Mayor Joseph G. Kuspa

From: Joseph Marsh, Director of Public Safety

Re: Request for Waiver of bid/Purchase approval

Date: 08/24/2021

Dear Mayor,

The Police Department is in need of replacing (2) two patrol vehicles. Adequate funding has been set aside by the Finance Director for this purpose.

Southgate Ford has agreed to match the State of Michigan bid for Ford Police Utility Patrol Vehicles. The two vehicles will be 2022 Ford Police Utility Interceptor all black, with All Wheel Drive, the total cost per vehicle is \$33,483.00.

It is my recommendation that the purchase of (2) two 2022 Ford Police Utility Interceptor AWD Black in color, be awarded to Southgate Ford, 16501 Fort St., Southgate, Michigan in the amount of \$66,966.00. With your concurrence, I respectfully request this item be placed on the City Council's agenda for the meeting scheduled on September 1st, 2021 for purposes of a waiver of bid request and purchase approval.

Attention: Joseph Marsh, Director of Public Safety

Dear Joe,

Please accept this letter as a formal bid for (2) 2022 Ford Police Interceptor Utilities;

\$33,483.00 per vehicle = \$66,966.00 total delivered price.

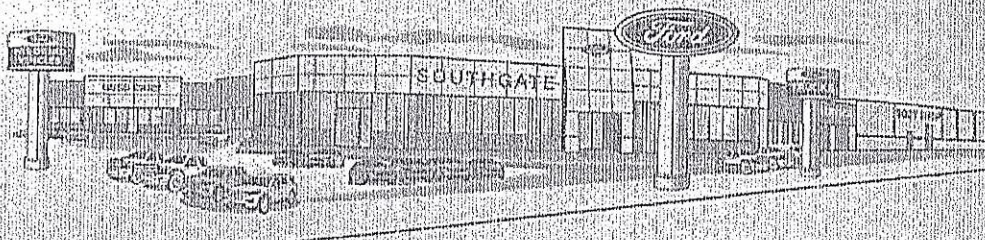

The above price reflects a \$365.00 price increase for the 2022 model year equipped the same as your 2021 (see attachment) that sold for \$33,118.00.

With the computer chip shortage it is difficult to project the estimated time of delivery. Ford is placing higher priority on sold vehicles over dealer stock. I estimate delivery to take 2 to 3 months longer than usual (4 to 6 months).

Sincerely yours,

Re: Waiver of Bid to purchase a Fire Rescue

Attached please find a letter from Fire Chief Marc Hatfield requesting a waiver of bid to authorize the purchase of a Type 1 rescue vehicle. This vehicle will allow the department to properly store the extra EMS equipment we provide since going to advance life support (ALS).

Included in your package is a total of 3 quotes we received. Chief Hatfield and Fire Marshall Moore researched the three companies and even did a site visit to research the lowest quote from Medix Specialty Vehicles Elkhart, Indiana.

They both were very impressed with the company and we recommended we waive the bid and award this purchase to Medix Specialty Vehicles in the amount of \$143,541.00. less anticipated Ford Rebate of \$6,617.00 for a total cost of \$136,924.00

Funds for this purchase are available in the Capital Projects Fund.

If you have any questions about this recommendation please contact me.

Re: Request for purchase approval
Date: 08/24/2021

Dear Mayor,

The Fire Department is currently in need of replacing our Rescue vehicle. The Rescue vehicle is the work horse of the Fire Department and responds to well over 4000 incidents per year.

When we upgraded our EMS license level to ALS in 2019, this required the ALS vehicles to carry more equipment. The current vehicle was not originally intended to carry the excess equipment. Therefore, I am requesting the purchase of a Type 1 Ambulance. This vehicle will allow the department to properly store the extra EMS equipment, it will also allow for a separate storage of our fire turnout gear-limiting exposure to carcinogens, and allow our Firefighter Paramedics a safe, clean environment to treat patients.

After researching the vehicles, it is my recommendation and in the best interest of the Fire Department that we purchase the 2022 Medix Metro 153 LTD Type 1. This vehicle will serve the citizens of Southgate for years to come. I have included a total of 3 quotes. Adequate funding is available within the capital improvement fund.

Sincerely,

Marc Hatfield
